

Complaints, exchange, warranty rules for arteries.hu online credit card bill payment service

Our system allows you to pay invoices issued by Arteries Studio Ltd. Please only use this interface if you wish to settle your invoice through this system. Thank you!

If you have a complaint about an invoice or are dissatisfied with the quality of our service, please contact our head office or your dedicated project manager. If you do not have this information, please contact info@arteries.hu and our colleagues will be happy to respond.

Specific warranty terms for our software solutions and services can be found in the contract or its annexes between Arteries Studio Ltd. and you or your company/company.

If you have any questions about using our system, please contact us!
